

Boomerang™

A light-duty electronic merchandise solution.

SECURITY FEATURES

- ✓ Uses a mechanical aircraft cable recoiler
- ✓ Tough-to-remove design
- ✓ Durable over time
- ✓ Secures merchandise of varying sizes

The Boomerang™ ensures that your store displays remain orderly, secure, and easy to manage. After each customer interaction, the secured merchandise will return to its fixed position. This simplifies re-merchandising and keeps your electronics displays protected from retail theft.

In the fast-paced world of retail, ensuring the security of electronic merchandise is a paramount concern. The Boomerang offers a unique combination of reliability, flexibility, and convenience, making it an indispensable asset for retailers.
