

ToolGuard™

The leading power tool security device worldwide.

SECURITY FEATURES

- ✓ Allows customers to interact with tools while ensuring product safety
- ✓ Comes with alarm options
- ✓ Adaptable for any power tool
- ✓ Versatile design

RTF Global's ToolGuard™ stands out as a purpose-built, adaptable anti-theft display. Offering tailored options for pegboard, Unistrut, slatwall, and gridwall displays, ToolGuard delivers tethered security, theft deterrence, shrink reduction, and a heightened level of customer interaction.

In the realm of showcasing power tools in hardware stores, there's a struggle to balance creating enticing displays with safeguarding tools against theft. With the ToolGuard, you can ensure the security of high-value power tools while integrating diverse displays.
