

Vise 5™

The most versatile security display holder for smartphones and tablets.

SECURITY FEATURES

- ✓ Adjustable arms to accomodate any size device
- ✓ Tethered with an aircraft cable recoiler
- ✓ Locked down for highest security
- ✓ Equipped with an alarm system

The Vise 5™ is an all-in-one solution for electronics retailers. It is adaptable to any store fixture, making it the perfect solution to mitigate theft. The Vise 5 can be mounted as a low profile mount or a high angle mount, offering even more flexibility to cater to various store layouts and display designs.

In a world where electronic devices are at the center of our daily lives, ensuring their safety and security is of paramount importance. The Vise 5 is a comprehensive solution that caters to the needs of both retailers and customers, offering a level of adaptability and versatility that is truly remarkable.
